**Closing The Gap
In Education
for a Better Tomorrow**

We cannot continue to do the same things expecting a different result when it comes to educating our children and youth.

Science, Technology, Engineering, Math (STEM) is only one of the skill sets our youth need to understand for the 21st Century.

“Preparing our children, youth, parents, and community will allow goals to be achieved making dreams a reality.”

-Ethan Berry, Ethan Berry, Inc. Non-Profit
